No vote of the Owners shall be required to approve an assessment needed to repair or maintain portions of the Common Area that the Association is responsible to repair and maintain. Any amounts assessed pursuant hereto shall be apportioned equally among and assessed equally to all Lots. Notice in writing of the amount of such assessment and the time for payment thereof shall be given promptly to the Owners. No payment shall be due less than thirty (30) days after such notice shall have been mailed. All unpaid portions of any assessment shall bear interest at the rate of one and one-half percent (1½ %) per month from the date such portions become due until paid plus late fees as established by the Board not to exceed \$50.00 per month.
- 10.7 **Lien for Assessments.** All sums assessed to the Owner of any Lot within the Project pursuant to the provisions of this Article X, together with interest thereon as provided herein, is secured by virtue of this Declaration as a lien on such Lot in favor of the Association. To evidence a lien for sums assessed pursuant to this Declaration, the Association may prepare

a written notice of lien in conformance with Utah law. Each Owner shall be deemed to have consented to the filing of a notice of lien against such Owner's Lot. Such notice shall be signed and acknowledged by a duly authorized officer of the Association or its attorney and may be recorded in the office of the Weber County Recorder. No notice of lien shall be recorded until there is a delinquency in payment of the assessment. Such lien may be enforced by nonjudicial foreclosure by the Association in the same manner in which mortgages on real property may be foreclosed in the State of Utah. In any such foreclosure, the Owner shall also be required to pay to the Association any assessments against the Lot which shall become due during the period of foreclosure and the costs and expenses of such proceeding, the costs and expenses of filling the notice of lien, and all reasonable attorney fees.

10.8 Personal Obligation of Owner. The amount of any regular or special assessment against any Lot shall be the personal obligation of the Owner of such Lot to the Association. Suit to recover a money judgment for such personal obligation shall be maintainable by the Association without foreclosing or waiving the lien securing the same. No Owner may avoid or diminish any such personal obligation by waiver of the use and enjoyment of any of the Common Area or by abandonment of his Lot, or by waiving any services or amenities. In the event of any suit to recover a money judgment for unpaid assessments hereunder the involved Owner shall pay the costs and expenses incurred by the Association in connection therewith, including reasonable attorney fees.

10.9 Non-Judicial Foreclosure. All costs, expenses, assessments and fees owed to the Association for Common Expenses may be secured by a lien, which lien may be foreclosed in the same manner as foreclosures of deeds of trust under Utah law. The lien shall also secure and the Owner shall also be required to pay to the Association any assessments against the Lot which shall become due during the period of foreclosure. The Association shall have the right and power to bid an amount equal to its then existing lien at the foreclosure sale or other legal sale and to acquire, hold, convey, lease, rent, encumber, use and otherwise deal with the same as the Owner thereof. In any foreclosure or sale, the Owner shall pay the costs and expenses of such proceedings, including but not limited to the cost of a foreclosure report, reasonable attorney fees, and a reasonable rental for the Dwelling during the pendency of the foreclosure action. The Association in the foreclosure action may require the appointment of a receiver to collect the rental without regard to the value of the mortgage security. If the Association elects to foreclose the lien in the same manner as foreclosures in deeds of trust, then the Owner by accepting a deed to the Lot hereby irrevocably appoints the attorney of the Association, provided he is a member of the Utah State Bar, as Trustee, and hereby confers upon said Trustee the power of sale set forth with particularity in Utah Code Annotated, Section 57-1-23 (1953), as amended. In addition, Owner hereby transfers in trust to said Trustee all of his right, title, and interest in and to the real property for the purpose of securing his performance of the obligations set forth herein. Declarant hereby conveys and warrants pursuant to U.C.A. Sections 57-1-20 and 57-8a-302 to Richard W. Jones, as trustee, an attorney licensed in the State of Utah, with power of sale, the Lot and all improvements to the Lot for the purpose of securing payment of assessments under the terms of the Declaration. The Association may appoint a substitute trustee by executing a substitution of trustee as authorized in Utah Code Annotated, Section 57-1-22, without amending this paragraph.

- 10.10 **Statement of Account.** Upon written request of any Owner, Mortgagee, prospective Mortgagee, or prospective purchaser of a Lot and payment of any reasonable fee assessed as authorized by law, the Association shall issue a written statement setting forth the following: (a) the amount of the unpaid assessments, if any, with respect to such Lot, and (b) the amount of the current regular assessment with respect to such Lot and the date such assessment becomes or became due. Such statement shall be conclusive upon the Association in favor of persons who rely thereon in good faith.
- 10.11 **Personal Liability of a Purchaser.** In a voluntary conveyance, the purchaser of a Lot shall be jointly and severally liable with the seller thereof for all unpaid assessments against such Lot up to the time of the grant of conveyance; provided, however, that the provisions of this Section shall not prejudice the purchaser's right to recovery from the seller of the amount of such assessments paid by the purchaser for such assessments.

ARTICLE XI INSURANCE

NOTICE: The Association's Insurance Policy does not cover the personal property or personal liability of the Owners or their Occupants.

- 11.1 **Insurance.** The Board shall obtain insurance as required in this Declaration, the Act, or other applicable laws. The Association may obtain insurance that provides more or additional coverage than the insurance required in this Declaration. Different policies may be obtained from different insurance carriers and standalone policies may be purchased instead of, or in addition to, embedded, included coverage, or endorsements to other policies. Insurance premiums shall be a Common Expense.
- 11.2 **Property Insurance.**
- (a) **Association to Insure Buildings.** The Association shall maintain a blanket policy of property insurance covering the entire Project, including the Common Area and all buildings including all Dwellings fixtures, and building services equipment as provided in the Act. The Association may maintain broader coverage if afforded by the insurance contract.
- (1) The blanket policy shall exclude land and other items not normally and reasonably covered by such policies. The blanket policy shall be an "all in" or "all inclusive" insurance as those terms are used in the insurance industry and shall include insurance for any fixture, improvement, or betterment installed in or to the Dwelling or any Limited Common Areas or otherwise permanently part of or affixed to Common Areas, Dwellings, or Limited Common Areas, including but not limited to floor coverings, cabinets, light fixtures, electrical fixtures, heating and plumbing fixtures, paint, wall coverings, windows.
- (2) At a minimum, the blanket policy shall afford protection against loss or damage by: (1) fire, windstorm, hail, riot, aircraft, vehicles, vandalism, smoke, and theft; and (2) all perils normally covered by "special form" property coverage.

- (3) The blanket policy shall be in an amount not less than one hundred percent (100%) of current replacement cost of all property covered by such policy (including the Dwellings) at the time the insurance is purchased and at each renewal date. The actual replacement cost of the property shall be determined by using methods generally accepted in the insurance industry.
 - (4) The blanket policy shall include either of the following endorsements to assure full insurable value replacement cost coverage: (1) a Guaranteed Replacement Cost Endorsement under which the insurer agrees to replace the insurable property regardless of the cost; and (2) a Replacement Cost Endorsement under which the insurer agrees to pay up to one hundred percent (100%) of the Property's insurable replacement cost but not more. If the policy includes a coinsurance clause, it must include an Agreed Amount Endorsement which must waive or eliminate the requirement for coinsurance.
 - (5) Each property policy that the Association is required to maintain shall also contain or provide for Inflation Guard Endorsement, if available.
- (b) **Owner Responsibility for Payment of Deductible.** If a loss occurs that is covered by a property insurance policy in the name of the Association and another property insurance policy in the name of an Owner:
- (1) The Association's policy provides primary insurance coverage, and:
 - (a) the Owner is responsible for the Association's policy deductible; and
 - (b) the Owner's policy, if any, applies to that portion of the loss attributable to the Association's policy deductible.
 - (2) An Owner that has suffered damage to any combination of a Dwelling or a Limited Common Area appurtenant to a Dwelling ("Dwelling Damage") as part of a loss, resulting from a single event or occurrence, that is covered by the Association's property insurance policy ("a Covered Loss") is responsible for an amount calculated by applying the percentage of total damage resulting in a Covered Loss that is attributable to Dwelling Damage ("Dwelling Damage Percentage") for that Dwelling to the amount of the deductible under the Association's property insurance policy; and
 - (3) If an Owner does not pay the amount required under Subsection (2) above within 30 days after substantial completion of the repairs to, as applicable, the Dwelling or the Limited Common Area appurtenant to the Dwelling, the Association may levy an assessment against the Owner for that amount.
- (c) **Claims Under the Deductible.** If, in the exercise of its business judgment, the Board determines that a claim is likely not to exceed the Association's policy deductible:
- (a) the Owner's policy is considered the policy for primary coverage to the amount of the Association's policy deductible; (b) an Owner who does not have a policy to cover the Association's property insurance policy deductible is responsible for the loss to the amount of the Association's policy deductible; and (c) the Association

need not tender the claim to the Association's insurer.

- (d) **Deductible Notice.** The Association shall provide notice to each Owner of the Owner's obligation under Subsection (b) above for the Association's policy deductible and of any change in the amount of the deductible. If the Association fails to provide notice of the initial deductible, it shall be responsible for the entire deductible in case of any loss. If the Association fails to provide notice of any increase in the deductible, it shall be responsible for paying any increased amount that would otherwise have been assessed to the Owner. The failure to provide notice shall not invalidate or affect any other provision in this Declaration.
- (e) **Owner's Responsibility for Personal Property.** The Association shall have no obligation to obtain or maintain any insurance covering Owners' personal property, and each Owner shall be responsible for obtaining and maintaining such personal property insurance.
- 11.3 **Comprehensive General Liability (CGL) Insurance.** The Association shall obtain CGL insurance insuring the Association, the agents and employees of the Association, and the Owners, against liability incident to the use, ownership or maintenance of the Common Area or membership in the Association. The coverage limits under such policy shall not be less than Two Million Dollars (\$2,000,000.00) covering all claims for death of or injury to any one person or property damage in any single occurrence. Such insurance shall contain a Severability of Interest Endorsement or equivalent coverage which should preclude the insurer from denying the claim of an Owner because of the negligence acts of the Association or another Owner.
- 11.4 **Director's and Officer's Insurance.** The Association shall at its discretion obtain Directors' and Officers' liability insurance protecting the Declarant, the Board, the officers, and the Association against claims of wrongful acts, mismanagement, failure to maintain adequate reserves, failure to maintain books and records, failure to enforce the Governing Documents, and breach of contract (if available). This policy shall: (1) include coverage for volunteers and employees, (2) include coverage for monetary and non-monetary claims, (3) provide for the coverage of claims made under any fair housing act or similar statute or that are based on any form of discrimination or civil rights claims, and (4) provide coverage for defamation. In the discretion of the Board, the policy may also include coverage for any Manager and any employees of the Manager and may provide that such coverage is secondary to any other policy that covers the Manager or any employees of the Manager.
- 11.5 **Certificates.** Any insurer that has issued an insurance policy to the Association shall issue a certificate of insurance to the Association, and upon written request, to any Owner or Mortgagee.
- 11.6 **Named Insured.** The named insured under any policy of insurance shall be the Association; and the Declarant shall be listed by name as an additional insured under any and all policies of insurance. The Declarant and each Owner shall also be an insured under all property and CGL insurance policies.
- 11.7 **Right to Negotiate All Claims & Losses & Receive Proceeds.** Insurance proceeds for a

loss under the Association's property insurance policy are payable to an Insurance Trustee if one is designated, or to the Association, and shall not be payable to a holder of a security interest. An Insurance Trustee, if any is appointed, or the Association shall hold any insurance proceeds in trust for the Association, Owners, and lien holders. Insurance proceeds shall be disbursed first for the repair or restoration of the damaged property, if the property is to be repaired and restored as provided for in this Declaration. After any repair or restoration is complete and if the damaged property has been completely repaired or restored, any remaining proceeds shall be paid to the Association. If the property is not to be repaired or restored, then any remaining proceeds after such action as is necessary related to the property has been paid for, shall be distributed to the Owners and lien holders, as their interests remain with regard to the Dwelling. Each Owner hereby appoints the Association, or any Insurance Trustee, as attorney-in-fact for negotiating all losses related thereto, including the collection, receipt of, and appropriate disposition of all insurance proceeds; the execution of releases of liability; and the execution of all documents and the performance of all other acts necessary to administer such insurance and any claim.

This power-of-attorney is coupled with an interest, shall be irrevocable, and shall be binding on any heirs, personal representatives, successors, or assigns of the Owner.

- 11.8 **Owner Act Cannot Void Coverage Under Any Policy.** Unless an Owner is acting within the scope of the Owner's authority on behalf of the Association and under direct authorization of the Association, an Owner's act or omission may not void an insurance policy or be a condition to recovery under a policy.
- 11.9 **Waiver of Subrogation against Owners and Association.** All property and CGL policies must contain a waiver of subrogation by the insurer as to any claims against the Declarant, the Association and the Owners and their respective affiliates, agents and employees.

ARTICLE XII COMPLIANCE WITH DECLARATION AND BYLAWS

- 12.1 **Compliance.** Each Owner shall comply with the provisions of this Declaration, the Articles of Incorporation and Bylaws of the Association, rules and regulations promulgated by the Association, and the decisions and resolutions of the Association adopted pursuant thereto, as the same may be lawfully amended from time to time. Failure to comply with any of the same shall be grounds for an action to recover sums due and for damages or injunctive relief or both, maintainable by the Association or by an aggrieved Owner.
- 12.2 **Enforcement and Remedies.** The obligations, provisions, covenants, restrictions and conditions contained in this Declaration, or in any supplemental or amended Declaration, enforceable against the Association, shall be enforceable by the Board or by any Owner of a Lot, by a proceeding for a prohibitive or mandatory injunction. The obligations, provisions, covenants, restrictions and conditions contained in this Declaration, or in any supplemental or amended Declaration, enforceable against an Owner or any other person, shall be enforceable by the Association by a proceeding for a prohibitive or mandatory injunction or by a suit or action to recover damages or to recover any amount due or unpaid.

**ARTICLE XIII
DISPUTE RESOLUTION**

- 13.1 **Statement of Intent.** Prior to purchasing a Lot, every Owner is capable of obtaining an inspection and is permitted to perform, or pay someone else to perform, any inspection on any Lot and Dwelling the Owner is purchasing regarding any aspect of the Project. Moreover, if any warranty is provided, it identifies only those items warranted by the Declarant (for the purposes of this Article, the term Declarant shall refer to both the Declarant and any entity related to Declarant). Having had the ability to inspect prior to purchasing a Lot, having received a written warranty if any warranty is provided, and having paid market price for a Lot in the condition the Lots and Easement Area are in at the time of purchase, it is acknowledged that it is unfair and improper to later seek to have the Declarant or any agent, employee, executing officer, manager, affiliate or owner of the Declarant, and/or any subcontractor performing work in the Project to change, upgrade, or add additional work to the Project outside of any express warranty obligation. Moreover, the Owners (by purchasing a Lot) and the Declarant acknowledge and agree that litigation is an undesirable method of resolving disputes and conflicts in that it can be slow, expensive, uncertain, and can often negatively impact the sale value and ability to obtain financing for the purchase of Lots for years, unfairly prejudicing those Owners who must or want to sell their Lot during any period when litigation is pending. For this reason, the Owners by purchasing a Lot and the Declarant agree and acknowledge that claims and disputes shall not be pursued through court action, but shall be asserted and resolved only through certain specific alternative dispute resolution mechanisms and only after full disclosure, right to cure periods, and knowing approval of the Owners, as set forth herein. In addition, the Association and the Owners agree that they take ownership and possession of the Lots and Easement Areas AS IS, with no warranties of any kind except as otherwise required as a matter of law. The Declarant, or any agent, employee, executing officer, manager, affiliate or owner of the Declarant, specifically disclaim any warranties of merchantability, fitness for a particular use, or of habitability, to the full extent allowed by law.
- 13.2 **Arbitration.** To the fullest extent permitted by law, all claims and disputes of any kind that any Owner or the Association may have involving the Declarant or any agent, employee, executing officer, manager, affiliate or owner of the Declarant, or any engineer or contractor involved in the design or construction of the Project, which arises from or is in any way related to a Lot, Dwelling, Common Area, Easement Area, or any other component of the Project (a "Dispute"), shall be submitted to final and binding arbitration. Binding arbitration shall be the sole remedy for resolving claims and disputes between or involving the Declarant and any Owner or between or involving the Declarant and the Association. Arbitration proceedings shall not be commenced unless the Pre-Arbitration Requirements set forth in Section 6.3 below have been satisfied in full. Without in any way limiting the foregoing, Disputes subject to binding arbitration shall include:
- (a) Any allegation that a condition in any of the Lots, Dwellings, or Easement Area is a construction defect;
 - (b) Any disagreement as to whether an alleged construction defect has been corrected;
 - (c) Any disagreement about whether any warranties, including implied warranties, are applicable to the subject matter of any Dispute;
 - (d) Any disagreement as to the enforceability of any warranties alleged to be applicable

- to the subject matter of any Dispute;
- (e) Any disagreement about whether any warranty alleged to be applicable to the subject matter of any Dispute has been breached;
- (f) Any alleged violations of consumer protection, unfair trade practice, or other statutes;
- (g) Any allegation of negligence, strict liability, fraud, and/or breach of duty of good faith, and all other claims arising in equity or from common law;
- (h) Any allegation that any condition existing in the Project or created by the Declarant, including construction-related noise, dust, and traffic, is a nuisance;
- (i) Any disagreement concerning the issues that should be submitted to binding arbitration;
- (j) Any disagreement concerning the timeliness of performance of any act to be performed by Declarant;
- (k) Any disagreement as to the payment or reimbursement of any fees associated with binding arbitration;
- (l) Any other claim or disagreement arising out of or relating to the sale, design, or construction of any of the Lots, Dwellings, or Easement Areas.

13.3 **Pre-Arbitration Requirements.** An Owner or the Association may only pursue a claim against the Declarant or any agent, employee, executing officer, manager, affiliate or owner of the Declarant, to the extent described herein or by law after the following dispute resolution efforts have been completed:

- (a) **Right to Cure:** the Owner shall provide to the Declarant a written Notice of Claim (defined below) and permit the Declarant one hundred eighty (180) days to cure or resolve the claim or defect or to try to get the builder or the appropriate subcontractor to cure or resolve the claim or defect, prior to initiating any formal arbitration proceedings;
- (b) If the dispute is not resolved within the 180-day Right to Cure period, the parties agree to mediate the dispute prior to taking further action or commencing arbitration. If additional, different, or modified claims, damages, calculations, supporting information, or descriptions are added, provided to, or asserted against the Declarant that were not included in any previously submitted Notice of Claim, the Right to Cure period provided for in this section shall immediately apply again and any pending action or proceedings, including any mediation or arbitration, shall be stayed during the 180-day period.
- (c) "Notice of Claim" shall mean and include the following information: (1) an explanation of the nature of the claim, (2) a specific breakdown and calculation of any alleged damages, (3) a specific description of the claim along with any supporting opinions, information, or factual evidence upon which the claim is based, (4) photographs of any alleged condition, if applicable, (5) samples of any alleged defective conditions or materials, (6) all efforts taken to avoid, mitigate, or minimize the claim or any alleged damages arising therefrom, and (7) the names, phone numbers, and address of each person providing factual information, legal or factual analysis, or legal or factual opinions related to the claim.

- 13.4 **Binding Arbitration.** If a claim or dispute has not been resolved after satisfying and complying with the above-described "Pre-Arbitration Requirements," then the claimant (Owner or Association) shall have the right to proceed with binding arbitration; however, the Association shall not pursue or commence binding arbitration unless such action is first approved by a majority of the total votes of the Association after first obtaining a written opinion from legal counsel advising the Association of the likelihood of success on the merits of the claims, the anticipated costs and legal fees, the anticipated expert witness fees, and the likelihood of recovery if the Association prevails. The written opinion from legal counsel, addressing these topics, must be provided to all Owners before the formal vote on whether to proceed with binding arbitration. The binding arbitration shall be conducted by a member of the American Arbitration Association's Panel of Construction Arbitrators, or by a different arbitrator or arbitration service provider if mutually approved by the parties. The binding arbitration shall be conducted according to the rules and procedures set forth in the Construction Industry Arbitration Rules promulgated by the American Arbitration Association. The award of the arbitrator shall be final and may be entered as a judgment by any court of competent jurisdiction.
- 13.5 **Arbitration Attorney Fees.** Each party shall bear its own attorney fees and costs (including expert witness costs) for the arbitration. The arbitrator shall not award attorney fees or expert witness fees to the prevailing party. The arbitration filing fee and other arbitration fees shall be divided and paid equally as between the parties.
- 13.6 **No Waiver.** If any Owner, the Association, the Declarant, or any related entity files a proceeding in any court to resolve any Dispute, such action shall not constitute a waiver of the right of such party, or a bar to the right of any other party, to seek arbitration of that or any other Dispute and such court shall, upon motion of any party to the proceeding, stay the proceeding before it and direct that such Dispute be arbitrated in accordance with the terms set forth herein.
- 13.7 **Subrogation.** The Association and each Owner waives any right to subrogation against the Declarant, and any builder and engineer in the Project. This waiver shall be broadly construed and applied to waive, among other things, any attempt by any insurer of any Owner or of the Association from pursuing or exercising any subrogation rights, whether arising by contract, common law, or otherwise, against the Declarant, the engineer, and builder, and their officers, employees, owners, and representatives. To the full extent permitted by law, the Association and Owners hereby release Declarant, the Project engineer, and builder, their respective officers, employees, owners, and representatives from any and all liability to the Association and all Owners, and anyone claiming through or under them by way of subrogation or otherwise, for any loss, injury, or damage to property, caused by fire or any other casualty or event, even if such fire or other casualty shall have been caused by the fault or negligence of the Declarant or builder, their officers, employees, owners, and representatives. The Association and each Owner agrees that all policies of insurance shall contain a clause or endorsement to the effect that this release and waiver of subrogation shall not adversely affect or impair such policies or prejudice the right of the Association or any Owner to recover thereunder. The Association and all Owners shall indemnify and defend the Declarant, the builder, and any of their officers, employees, owners, or representatives from any claims barred or released by this provision, including but not limited to any claim brought under any right of subrogation.

- 13.8 **No Right of Action Created.** Nothing in this Supplemental Declaration or in this Article shall grant or otherwise create a right of action by the Association against the Declarant, the developer or the builder, that does not otherwise already exist under Utah law.

ARTICLE XIV GENERAL PROVISIONS

- 14.1 **Intent and Purpose.** The provisions of this Declaration and any supplemental or amended Declaration shall be liberally construed to effectuate the purpose of creating a uniform plan for the development and operation of the Project. Failure to enforce any provision, restriction, covenant, or condition in this Declaration, or in any supplemental or amended Declaration, shall not operate as a waiver of any such provision, restriction, covenant, or condition or of any other provisions, restrictions, covenants, or conditions.
- 14.2 **Construction.** The provisions of this Declaration shall be in addition and supplemental to all applicable provisions of law. Wherever used herein, unless the context shall otherwise provide, the singular number shall include the plural, the plural shall include the singular, and the use of any gender shall include all genders. The Article and Section headings set forth herein are for convenience and reference only and are not intended to describe, interpret, define or otherwise affect the context, meaning, or intent of this Declaration or any Article, section or provision hereof. The provisions hereof shall be deemed independent and severable and the invalidity or partial invalidity or unenforceability of any one provision or portion thereof shall not affect the validity or enforceability of any other provision hereof.
- 14.3 **Registration of Mailing Address.** Upon the purchase of any Lot, the Owner of such Lot shall register with the Association his current mailing address. All notices or demands intended to be served upon any Owner shall be sent as provided in the Bylaws.
- 14.4 **Audit.** Any Owner may at any reasonable time, upon appointment and at his own expense, cause an audit or inspection to be made of the books and records maintained by the Association.
- 14.5 **Amendment.**
- (a) Except as otherwise provided herein, this Declaration, and any amendments to the Declaration, may be amended with or without a meeting of the Owners by the affirmative consent or vote of at least sixty-seven percent (67%) of the Owners. All necessary written consents must be obtained prior to the expiration of ninety (90) days from the date the first written consent is obtained. Any amendment so authorized shall be accomplished through the recordation of an instrument executed by an officer of the Association certifying that the vote required by this Article has occurred, which properly approved amendments shall be evidenced by instruments which are duly recorded in the office of the County Recorder for Weber County, State of Utah.
 - (b) During the Period of Administrative Control, the Declarant shall have and is hereby vested with the right to amend this Declaration and the Plats by an instrument duly

executed and acknowledged by Declarant and recorded in the Official Records of the County Recorder of Weber County, Utah. Such right of amendment shall apply without regard to the subject matter or the nature of the amendment involved, and such amendment shall not take away any substantive legal rights of those Owners who own a Lot at the time of such amendment by the Declarant.

- 14.6 **Effective Date.** This Declaration and any amendments thereto shall take effect upon recording.
- 14.7 **Agent for Service.** The person to receive service of process for the Association shall be the then current registered agent of the Association as shown on the records maintained in the office of the Division of Corporations and Commercial Code of the State of Utah.
- 14.8 **Limitation on Association's Liability.** The Association shall not be liable for any failure of water service or other utility service to be obtained and paid for by the Association hereunder, or for injury or damage to any person or property caused by the elements or by another Owner or person in the Project, or resulting from electricity, water, ground water, rain, snow or ice, or the settling of ground beneath a Dwelling. No diminution or abatement of any assessments under this Declaration shall be claimed or allowed for inconvenience or discomfort arising from the making of repairs, maintenance or improvements to the Project or any part thereof, or from any action taken to comply with any law, ordinance or order of a governmental authority.
- 14.9 **Owner's Obligations.** All obligations of an Owner under and by virtue of the provisions contained in this Declaration shall continue, notwithstanding that he may be leasing, renting, or selling on contract his Lot. The Owner of a Lot shall have no obligation for expenses or other obligations accruing after he conveys title to such Lot.

- 8.3 **Severability.** If any provisions of these Bylaws or any section, sentence, clause, phrase, or work, or the application thereof in any circumstance is held invalid, the validity of the remainder of these Bylaws shall not be affected thereby and to this end, the provisions hereof are declared to be severable.
- 8.4 **Waiver.** No restriction, condition, obligation, or provision of these Bylaws shall be deemed to have been abrogated or waived by reason of any failure or failures to enforce the same.
- 8.5 **Captions.** The captions contained in these Bylaws are for convenience only and are not part of these Bylaws and are not intended in any way to limit or enlarge the terms and provisions of these Bylaws.
